

Forever Young™ Herbal Skin Prescriptives –The Products

Forever Young Herbal Skin Prescriptives are developed and hand-crafted by Heidi Brockmyre, L.Ac., a Chinese herbalist and acupuncturist specializing in facial rejuvenation and co-founder of Forever Young Aculift Skin Care System™. Together, with the help of two experienced estheticians, she developed these products by combining a nourishing blend of deep skin conditioning oils, skin repairing and protective anti-oxidants, and essential oils with ancient Chinese medicinal herbs to create the maximum therapeutic effect. All products are free of parabens, artificial colors, perfumes, 100% vegan with no animal testing.

Consistent daily use of this skin care line will help to fade wrinkles, lift the face, even out skin tone, and give the complexion a healthy glow. Use with regular facial acupuncture treatments for even more phenomenal results! Enjoy!

Lotion Directions: Apply twice daily on face, neck, and chest in the morning and evening on freshly washed skin.

Testimonial - "I have to tell you, I LOVE the Clear moisturizer. It's very light and very anti-inflammatory. My jawline has been inflamed for a few weeks now, I think because of stress. It just calmed everything right down, and no greasy feeling (and I have extremely oily skin). Great concept, great product!!" Allison West
